Bloomington at Hannibal.

The flux which has been trailing Manager Harry Bay almost since he took charge of the Islanders played its trump card today when it became known that Charlie Hollocher, leading shortstop of the circuit, would be laid to the team the remainder of the season through an injury. Hollocher was spiked in the right knee by Bemis in the ninth inning of the game at Rockford Sunday. The injury is a serious one, the flesh being laid open to the bone. Handicapped with a makeshift outfield, Bay will have to worry along with a patched-up infield the remainder of the year, and with one catcher and three pitchers. Neal is hobbling about with a sprained ankle and Munch is out with a stone bruise on his heel. Hollocher led the shortstops of the league in both hitting and fielding, and this loss is the final blow.

(Special to The Argus.)

Rockford, Aug. 29.—Spurred into action under the sting of five successive defeats, three of them at the hands of Rockford, Harry Bay and his still further crippled Islanders, with a makeshift lineup, sailed into the Wakes yesterday and whipped the daylight out of the home guard, 8 to 4, in the eighth round, the sixth, in which Cummings was driven to cover, clinched the battle for Bay's men.

Due to an injury to Charlie Hollocher, who is suffering from a spike wound in his right knee, a makeshift lineup was made necessary. Cummings took up responsibilities at the first station and Lister was moved to the keyhole sack and Ward shifted to short. Bay placed himself as lead-off man, with Erlewein runner up. Fritzie had one of his big days with the stick, collecting four blows, one of them a two-sacker. Bay and Lister also mauled the horsehide. Although hit hard, Frank Scanlan kept the blows scattered effectively and only four runs resulted from 12 hits.

The Islanders grabbed a lead in the initial round, but it was shortlived. Erlewein led off with a double and Ward rolled out. Lister scored Erlewein with a two-base rap to center. Kerns and Nelson singled to start the second inning and Cummings drew a walk. Bemis mowed a long fly to left which Bay muffed, and Kerns and Nelson scored. Again in the fourth Kerns and Nelson singled and Cummings walked. This time Bemis responded with a timely double, registering Kerns and Nelson.

The grand slam came in the sixth. Wakefield muffed Nelson's perfect pop and Varney was safe at first. Kolls singled to left and Vance followed with a double in the same place. Ihrig kept up the dizzy pace with a single to center and Scanlan got the habit and singled to right. Not to be outdone Bay singled to center and Erlewein singled to right. Varney, Kolls, Vance and Ihrig scored. Cummings was yanked and Adams was sent to the mound. Ward fanned, but Lister poled a long single, scoring Scanlan and Bay. Varney ended the wild rally, grounding to Nelson.

**For Good Measure.**  
To make certain of a victory the Islanders added another tally in the ninth. With one gone Lister singled to center. Varney followed with a hit to right. In an effort to cut Lister off at third Agnew threw the ball over Breen's head and Lister came home. The score:

Alexander Collects Bonus Promised When He Wins 25th Game of the Year—Tries for Shutout.

Chicago, Aug. 29.—Grover Cleveland Alexander, who is about the best known reason why the Phils must be considered among the National league pennant potentialities, pitched the opening game of the series for Patricio Moran against the Cubs at Wrigleyman park yesterday afternoon. Whenever Alex hurts, it is seldom asked "Did the Phils Win?" More often inquiry is made as to the size of the score. And yesterday the score happened to be 8 to 2 against the Cubs.

It was the 25th victory Grover Cleveland has bagged this season and he is just \$1,000 richer in worldly goods today by virtue thereof, these thousand cases having been offered Alex as a bonus should he score 25 wins in 1916. Score:

**UMPS BEATS PLAYER IN FACE WITH MASK**  
Clinton, Iowa, Aug. 29.—Yesterday's game with Waterloo was forfeited to Clinton by Umpire Asher after a riot on the field during the first inning. Manager Brennan of Waterloo, on the bench in street costume, was ordered out by the umpire and responded by kicking Asher in the stomach.

Asher swung his mask, hitting Brennan under the eye, cutting his face badly. Waterloo players surged upon the field, several attacking the umpire, who defended himself with a bat. Police, fans and local players hurried to the scene and the disturbance was quelled.

**RAIN DELAYS START NATIONAL NET MEET**  
Forest Hills, N. Y., Aug. 29.—Rain and wet courts interfered with opening play in the 36th annual tennis singles championship tournament at the courts of the West Side club yesterday. But four of the 64 matches were played, and these only that the double teams in the championship match might have today to devote entirely to the contest for the doubles title.

In the singles matches William M. Johnston of San Francisco, national champion, defeated Howard Notman of Brooklyn, 6-0, 6-1, 6-0; Clarence J. ## ZIM TRADED FOR DOYLE TO GIANTS

Unruly Cub Infielder Will Play Under McGraw Rest of Season—Bruins Get Two Others in Deal.

Chicago, Aug. 29.—The most interesting deal of the 1916 baseball season, or for years for that matter, was swung last night between the Cubs and the New York Giants. The deal involves the transfer of Heinie Zimmerman, the recalcitrant infielder, to the Giants in return for Larry Doyle, Hunter, an infielder, and Jacobson, an outfielder.

Because of the fact that both Doyle and Zimmerman are two of the widest known players in the National league at present, the deal is easily the feature of the 1916 season. In fact, from the Chicago fans' standpoint it can be ranked as one of the most important transfers negotiated in the parent body since the modern commission.

The actual transfer is the culmination of various rumors and reports which have been circulating along the baseball beat for the last fortnight, or to be exact, since President Weegman of the Cubs imposed a ten-day suspension on Heinie Zimmerman for "laying down on the job."

The deal with the Giants came as a distinct surprise to the wisecracks in Chicago. It had been figured that either Boston or Philadelphia would get Zimmerman, because it was understood both of these clubs had made tempting offers. President Weegman had hinted that a deal for Zim might occur when the Phils appeared for the series against the Cubs. Yesterday, however, after a protracted conference between Weegman and Pat Moran, manager of the Phils, the former announced that no deal had been completed for Zimmerman and his statement left the impression that none would be made.

Rumor had it that the Giants had offered Benny Kauff and Larry Doyle for Zimmerman. It became almost a certainty that were Heinie to go to New York Doyle would figure as one of the players received in exchange for the third sacker.

**McKEE, IMPROVED, RETURNS TO TIGERS**

Ray McKee, the Detroit backstop, farmed out to Toronto in the International league, has recently been recalled in the absence of Oscar Stange and has been a big help to the Tigers. Regular work behind the bat for Toronto has meant a great improvement in Ray's work.

## On The Sidelines

The crippled Islanders play at Davenport today and tomorrow, opening at the local yard with Moline Thursday for a two-game series.

It is just one durned thing after another for Boss Bay. The loss of McBride and Biltz completely broke up the outfield combination and now Hollocher's injury will upset the infield.

Erlewein and Lister mauled that pill unmercifully yesterday. Erlewein had a perfect day, securing four hits and getting hit by a pitched ball in five trips to the plate.

Ward played a great game at short, handling 10 chances with two errors, but neither figured in the scoring.

Larry Doyle, who becomes a member of the Cubs through the Zimmerman deal, is a Three Eye graduate. He has been in the big show nine years, being drafted from the Springfield club. His home is at Breezewood, Ill.

Clyde McBride, who jumped the Rock Island club last week, was in the city yesterday for a short visit. Clyde has been playing every day with the Henry, Ill., semi-pro team. The team returned Sunday from a jaunt through Indiana, winding up at Indianapolis. "I will never play professional baseball again," declared Clyde, "not as long as one can get real money and more of it in semi-pro ball."

The Hannibal Courier-Post recently issued a 16-page special baseball edition, carrying pictures of the Mules and a history of the players. The attendance in Hannibal has reached 71,000 with three-cent ball, setting a new record for the circuit. Congrats, Mules. Charles Ling, sports editor of the Post, is also to be congratulated on the "special."

Robert A. Gardner of Hinsdale may not defend his title as amateur golf champion in the national meet at Philadelphia because of the infection of a finger, which has prevented his holding a club.

A record for flawless fielding is claimed by sporting writers in Washington for Sherwood Magee, left fielder of the Braves. Without an error in 78 games, Magee has accepted 170 chances perfectly.

**MORRIS MORAN BOUT MAY STILL BE HELD**

Oklahoma City, Okla., Aug. 29.—The question of permitting the Morris-Moran fight at Tulsa on Labor day was left to the officials of Tulsa county yesterday by Lieutenant Governor Trapp, who, in the absence of Governor Williams, is acting governor.

Replying to a telegram from the sheriff of Tulsa county for an expression of his attitude on the proposed "boxing contest," the lieutenant governor said:

"I have confidence in the officers of Tulsa city and county and assume that the laws will be enforced."

Under Oklahoma laws prize fights are prohibited.

**PIN CIRCUIT WILL START WORK SEPT 26**  
The Island City Merchants' Bowling league will start its 1916-17 schedule Tuesday, Sept. 26. This date was decided upon at a meeting held last night at the Island City bowling alley. The schedule covers a period of 30 consecutive weeks. The officers decided that the league should remain a six-club circuit. The teams entered are the M. & S., last year's pennant winners; Flynn's, Ulmeyer's, M. & K., Haeges, and Home Tea company. The league games will be rolled at the Island City, Harms, and Hastings alleys.

**Giants to Play Yanks.**  
New York, Aug. 29.—The New York Giants and Yankees will play a game Sunday, Sept. 10, at the Polo grounds for the benefit of a charity fund. Regular umpires will be assigned to the contest by President Johnson of the American league and President Tener of the National league.

## MAKE FREAK BET WHITE-WELSH GO

Jim Flynn, Pueblo Fireman, Arrives at Colorado Springs to Assist Champion to Train.

Colorado Springs, Col., Aug. 29.—And now it's time for the freak bet on the White-Welsh fight. A novel wager was made yesterday between Francis Draz of New York City and Murray Keller of Chicago. The former contended that the ring could be seen from Pike's Peak. He argued that with a pair of field glasses he could go to the top of the snow-covered peak and watch the battle in the ring. Mr. Keller doubted this, and hence the wager.

In the automobile of one of the members of the club both were taken to the apex of the famous mountain, and there the test was made. Mr. Draz focused his glasses and the arena stood before him. Mr. Keller soon was convinced he had lost the wager, but added: "It's worth it; I never saw such a sight."

A new arrival in the Welsh camp yesterday was Jim Flynn, the tough Pueblo fireman, who is a great friend of the Welshman. Flynn will rough matters with Freddie from now until the day of battle.

Mrs. Freddie Welsh has arrived from Venice, Cal., accompanied by her daughter Betty. Welsh is essentially a home man and is delighted to have his wife with him. "You know, Fannie saw me win the title from Ritchie. She's my mascot and she's going to see me successfully defend it against White on Labor day," said the champion.

Manager Pitts is receiving word from every section of the country about parties who are coming to the Springs on "specials." Harry Brewer has a select "car" party from Kansas City. Marquis Durand and Mike Geary are getting up a car out of Butte, Mont., and will hitch it on the "special" which is to bring 125 fans from Salt Lake City. Pommery Bob Vernon, who will be Welsh's timekeeper, wires from New York that his party has increased to 30.

**ROOK LOOKS GOOD FOR NEXT SEASON**

Big league scouts have been watching Herbert Rook, pitching for the Fargo team in the Northern league, and it's likely that Herbert will appear in fall company next season. This summer only two teams have made over two runs against him, one getting three and the other five. Recently while Cub, Pirate and Tiger scouts were looking him over he pitched three consecutive shut-outs.

## PLOWBOYS RALLY IN EIGHTH; TRIM DAVENPORT 6 TO 4

Blue Sox Secure More Hits Off ex-Graham Than O'Leary's hurlers but Hughesmen Bunch Blows.

HALAS YANKED IN THE SEVENTH

Distillers Humble Bloomington Again, Making It Four Straight Over the Darringer Gang.

BY HECK.

Puncturing the ozone with numerous extra-base knocks and lesser blows, Moline and Davenport yesterday afternoon furnished an exhibition of national pastime to a small washday audience that was interesting from start to finish, due to the uncertainties which arose during its progress. But best of all the Plow boys copped, the score being 6 to 4. The entire half dozen tallies to Moline's credit were collected by Ned Halas and Yank Davis with the help of a double by single by Lee Stocker and one-ply rags by Dobbins and Staley. Had his mate not been hitting, chances are Oscar Graham would have had luck trying to win. Os was a little more generous with the big ones than he usually is, but he showed plenty of that well known gray matter. The Blue Sox were hitting our peerless pitcher with such regularity that the doubting Thomases loved there was nothing to it but a win for the Hooley. Harler Halas was having no better luck against the Moline batsmen and the home gang was getting their full share of safe swats.

O'Leary Jerks Halas.

But after he had walked the first man in the seventh inning, Boss O'Leary had him blanketed and Mr. Shoup was trotted out. Murnane's recommendations for the Blue Sox pilot on his excellent judgment could be heard coming from the lips of fans who had seen Sunday's game and were of the ones who wanted Hughes to take Beard out. But the question remains as to who used the better judgment. Hughes or O'Leary. Shoup disposed of the next three batsmen and he started the eighth by striking out Falk. But Davis walked and Pettigrew unloaded his second triple of the afternoon, scoring Yank. Staley was out on a high one to G. Graham and then Stocker lined out a single to right, which put Petty across. Stocker was later caught trying to steal. Score:

**Bloomers Humble Again.**

Peoria, Aug. 29.—The Distillers dug another notch and secured a still firmer hold on the pennant pole by trimming the Bloomers yesterday, 7 to 2. Individually it was the fourth straight win over the Darringer aspirants and the 10th successive victory for Jackson's men. Up until a month ago the Bloomers led the league and they were counted upon as pennant contenders, but are now practically out of it. Marion and Watson were pointed for 15 hits. Crabh yielded 11 blows but kept them scattered to such an extent that only two runs resulted. The score:

**DEPUTY SHERIFF IN NEW WORLD'S MARK**

Des Moines, Iowa, Aug. 29.—The feature event of the second day's Great Western circuit races here, the 2:15 trot, was won by David Look, a brown gelding, owned by H. C. Spratt of St. Joseph, Mo., which did not take a heat. The winners of the first and second heats were drawn before the third was run.

In the free-for-all team pace Deputy Sheriff and Colleen, driven by Henry Thomas, set what was declared to be a world's record. In the first heat they paced the mile in 2:07.4.

Carl Mueller and Alex Anderson of Rock Island are part owners of Deputy Sheriff.

**Rain Halts Races.**  
Poughkeepsie, N. Y., Aug. 29.—The grand circuit opening day program at the Hudson River Driving park here was officially postponed yesterday because of rain. The thirdrun 1, was to be run tomorrow. Director 1, was to have tried to lower the track pacing record, and will give this performance tomorrow.
